Dear Sec. Duterte:

The **Philippine Academy of Physicians in School Health, Inc. (PAPSHI)**, a nationwide association of physicians with an advocacy for excellence in School Health, will be holding its **23rd Annual National Convention** that would be held on **May 22-23, 2023** at the **Century Park Hotel Manila**. The theme of the convention is **"Rising Up to the Challenge, Making Changes for Better Choices."**

As educational institutions open up to a period of transition from the pandemic to a gradual ascend to new normal, schools are faced with challenges and choices to adapt the best practices for an effective, responsible, and safe learning. 1. Highlight how learning institutions can promote and nurture the health and well being of the school community;
2. Present alternative modes of teaching health in the school communities; and
3. Empower school communities to become better and more competent educational institutions.

PAPSHI ANC is held every May and attended by physicians with special interest in School Health, school health personnel and administrators of public and private educational institutions in the Philippines. For the past three years, the academy has been holding the convention virtually due to the COVID-19 pandemic. This year, PAPSHI opens the event for face-to-face convening once again.

In this regard, we are humbly requesting a cordial message with an attached portrait photograph from your office for our upcoming convention which will be included as part of our souvenir program. Also, we would like to request for an endorsement from DepEd (DepEd Memo) for its delegates in participating in PAPSHI's 23rd Annual National Convention.

Please see attached program and invitation letter for delegates.

Kindly respond to this request on or before **February 28, 2023** through **papshi.23anc@gmail.com** or you may call **09396442355 / 09321752321 / 09162344430** (Dr. Ceralvo) or **09178629165** (Dr. Capili).

We are fervently hoping for a positive response from your office.

Thank you very much.
