SUBJECT : **STI COLLEGE SUPPORT TO THE NATIONAL LEARNING CAMP (NLC)**

DATE : July 19, 2023

The Department of Education (DepEd) in support to the National Learning Recovery Program will implement the National Learning Camp (NLC) which will run from July 24 to August 25, 2023. The program focuses on providing targeted instruction to learners based on their academic needs.

Through the assistance of the External Partnerships Service (EPS), various partners were engaged to provide support for effective implementation of the program. With this, STI College offers its existing program called "**STI Career Camp**," a free workshop for Grade 10 and Grade 12 students to explore their options for Senior High School or College while getting hands-on experience in their chosen career path. The students may choose from four (4) different camps namely: 1) Entrepreneurs Camp, 2) Mobile Photography Camp, 3) Game Developers Camp, and 4) Baker's Camp.

The Regional Offices with the assistance of the Schools Division Offices may identify the schools and the learners (at least 15 learners per camp) which may be accommodated in STI campuses.

The following links provide the details of the STI Career Camp and the list of STI Campuses that your respective Regions and Division Offices may tap:
