Dear **Atty. Escobarte**:

The Pantawid Pamilyang Pilipino Program is now on its Period 3, June-July 2023 compliance monitoring. There are school facilities that already ended its classes for SY 2022- 2023 while some school facilities will start their classes in June, July, August or September 2023 for SY 2023-2024. Thus, we wish to seek the assistance of your office to obtain the list of DepEd accredited Private Schools including their school calendars. This shall aid us in validating the list of enrolled Pantawid beneficiaries to ensure their education grants.

We would highly appreciate it if you can provide us with the requested information on or before **August 10, 2023**, in time for the encoding and approval of the beneficiaries' monitoring forms for the June-July 2023 monitoring months.

Hoping for your positive response to this request.
