Regional Memorandum
No.540 s.2023

**REITERATION OF COMPLIANCE WITH LEARNER
INFORMATION SYSTEM (LIS) ENROLLMENT QUICK COUNT
UPDATING FOR SCHOOL YEAR 2023-2024**

To **Schools Division Superintendents**

1. With reference to an unnumbered memorandum issued by the Offices of the Undersecretary and Assistant Secretary for Administration on August 24, 2023, regarding the "Instruction to Expedite the Encoding of Enrollment Data in the Quick Count Facility in the LIS for school year 2023-2024," the department underscored the critical significance of updating the system. This update is essential to ensure the provision of accurate learner information to the Department and its stakeholders, facilitating informed decision-making processes.
2. The LIS Quick Count facility, deployed on August 12, 2023, has made substantial progress in the collection of enrollment data for the 2023-2024 school year. As of 9:20 am of September 11, 2023, the region already achieved a commendable **100% participation rate from both public schools and State Universities and Colleges (SUCs)/Local Universities and Colleges (LUCs)** offering basic education. However, it is crucial to note that 175 private schools are still categorized as either "Partially" or "Not Yet" participating. This lingering disparity among private schools significantly impacts the comprehensive overview of enrollment figures within the region, warranting immediate attention and action.
3. In light of the aforementioned challenge, it is imperative that all Schools Division Offices (SDOs) take immediate action to ensure the participation of these private schools. A comprehensive list of these schools is available in **Annex B** for reference. Furthermore, the progress of these schools should be diligently monitored and updated by the division planning officers using the following link: **bit.ly/R4aPrivateSchools-QuickcountSY23-24**. Prompt attention and proactive measures in this regard are greatly appreciated.
4. To keep you informed and for easy reference, a comprehensive report detailing the status of participation by division is attached herewith as **Annex A**.
