UNNUMBERED MEMORANDUM

TO : **ROSEMARIE D. TORRES**
Schools Division Superintendent
Schools Division Office of Cavite Province

FROM : **ATTY. ALBERTO T. ESCOBARTE, CESO II**
Regional Director
ama CB

SUBJECT : **PARTICIPATION IN INCONSEQUENTIAL ACTIVITY BY
TRECE MARTIRES CITY NATIONAL HIGH SCHOOL**

DATE : **September 28, 2023**

1. It has come to the attention of the Regional Office that teachers and learners of Trece Martires City National High School have been invited to attend the Science Castle in Asia 2023 to be conducted by Leave a Nest Malaysia on October 21 to 22, 2023.
2. The Regional Office conveys its disfavor in the attendance of the selected participants to the activity as it is considered as inconsequential.
3. Furthermore, this Office reminds schools of the strict implementation of **DepEd Order No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time- On-Task and Ensuring Compliance Therewith**, which limits participation of learners to contests or competitions conducted by other entities in order to avoid disruption of classes and to focus on teaching
4. For information and strict compliance.

Region IV-A CALABARZON

Dear Sir,

Greetings from Leave a Nest!

I hope this message finds you in good health and high spirits. I am writing to offer my warmest and most enthusiastic congratulations for your outstanding achievement in becoming one of the **finalists for the Poster Presentation Category** (Research Projects) at the prestigious Science Castle in Asia 2023. We are thrilled to inform you that **TRECE MARTIRES CITY NATIONAL HIGH SCHOOL of SDO Cavite Province, DepEd Region IV-A** has been chosen as one of the 12 Finalists across Asia among the 200 participants.

This esteemed event will take place in **Malaysia on October 21-22, 2023**. We believe that your school's participation will greatly enrich the scientific discourse at the conference and contribute to the success of the event.

We are excited to welcome **TRECE MARTIRES CITY NATIONAL HIGH SCHOOL** to the Science Castle in Asia 2023, which will be a platform for secondary school students to showcase their innovative research projects, engage in intellectual discussions, and broaden their horizons in the field of science and technology.

With this, we would to invite the following students who authored the paper titled, "**Evaluation of Antimitotic Activity of a Polyherbal formulation containing Ethanolic Extract of *Artemisia vulgaris* (Damong Maria) and aqueous extract of *Moringa oleifera* (Malunggay)**" (Team A) and "**AdEPT: An Adaptable and Energy-Providing Wind Turbine**" (Team B) to participate to the said event:

Team A

Grade 10

- Siarin John B. Pajarillo
- Charmaine Angella S. Faytaren
- Ma. Karylle Kaye N. Alonzo
- Christian Josh E. Darilay

Team B

Grade 10

- Armand Matthew L. Costelo
- Vanessa Rochelle B. Tan
- David J. Lor
- Mikaela Mae D. Sales
- Aryanna D. Delfin
- Sean Khianne B. Marquez

Additionally, as we recognize that the guidance and support of dedicated mentors and coaches have been instrumental in your journey to this point, we also have the **Great Teachers Summit** platform for teachers and parents to discover effective and innovative approaches to enhance STEM education. We invite speakers from local and international organizations to discuss and share their expertise and knowledge on ways to encourage students to be interested in STEM Education. Therefore, we extend our invitation to the following supervisors for their continuous support and commitment to Science, Technology, and Engineering programs as we innovate the educational system:

- MA'AM ROSALYN A. SAPAD
- SIR ALFRED WILLIAM SON T. SAPAD
- MA'AM NIÑA P. ESPINELI
- SIR MAGDALENO R. LUBIGAN (School Principal)

We understand that their expertise, mentorship, and unwavering support have played a pivotal role in this success, and we would be honored to have them join us in Malaysia as they joined the seminars and training alongside benchmarking activities for the said event.

Once again, we express our gratitude for **TRECE MARTIRES CITY NATIONAL HIGH SCHOOL**'s involvement and active support in Science Castle in Asia 2023. We eagerly anticipate your presence and meaningful contributions.
