KEY STAGE 1

**DATE :** March 11, 2024

---

The Department of Education (DepEd), through the Bureau of Learner Support Services – Youth Formation Division (BLSS-YFD), in partnership with the Southeast Asian Ministers of Education Organization Regional Center for Educational Innovation and Technology (SEAMEO INNOTECH), will conduct a research and development project titled, **Career Development for Children (CD4C): Technical Assistance on Developing Career Guidance Resources for Key Stage 1.**

This innovative endeavor aims to support the DepEd's Career Guidance Program (CGP) by developing evidence-based, age-appropriate, and culturally relevant teaching and learning resources for career guidance implementers.

Specifically, it intends to:

1. shed light on how elementary-level career guidance implementers provide career guidance activities for key stage 1 learners and determine the needed teaching and learning resources that career guidance implementers can use to equip key stage 1 learners with age-appropriate career development skills;

2. help in coming up with a baseline data/profile of public elementary-level career guidance implementers;
3. provide inputs to the design and implementation of a holistic CGP for DepEd's K to 12 starting key stage; and
4. create career guidance teaching and learning resources specifically designed for key stage 1 learners.

The project consists of two phases: the research phase and the development phase. The *research phase* intends to review how elementary-level career guidance implementers provide career guidance activities for key stage 1 learners and determine the needed teaching and learning resources that career guidance implementers can use to equip key stage 1 learners with age-appropriate career development skills. The *development phase*, on the other hand, will focus on creating career guidance teaching and learning resources specifically designed for key stage 1 learners.

Within the context of the research phase, an online national survey will be conducted from **March 15 to 29, 2024** to gather information about how elementary-level career guidance implementers provide career guidance activities for key stage 1 learners.

In this light, all **registered guidance counselors (RGCs), guidance counselors, and guidance designates of DepEd elementary schools** nationwide are enjoined to participate in this online survey. The online survey can be accessed through this link [https://www.research.net/r/cd4c\\_nationalsurvey](https://www.research.net/r/cd4c_nationalsurvey).

For inquiries and concerns, please contact Mr. Rovin James F. Canja, Project Development Officer IV, Officer-in-Charge of the BLSS-LFD at [blss.lfd@deped.gov.ph](mailto:blss.lfd@deped.gov.ph) (cc: SEAMEO INNOTECH, Commonwealth Avenue, Diliman, Quezon City, through email at [cd4c@seameo-innotech.org](mailto:cd4c@seameo-innotech.org) or telephone numbers: (02) 8924 7681 to 84 local 202).

Immediate dissemination of this Memorandum is desired.
