ATTY. ALBERTO T. ESCOBARTE

Regional Director

Department of Education Region 4A

Gate 2, Karangalan Village, Cainta, Rizal

Dear **Director Escobarte**:

Thank you very much for accommodating our proposed capacity development activity for DepEd Region 4A through the coordination meeting on February 26, 2024 attended by Mr. Wilbert Ulpindo of the Regional Office. As mentioned in our earlier communication, we will be holding the **"Training on Communicating Volcano, Earthquake, and Tsunami Hazards for Education Program Supervisors in Science"** this year. However, as collectively decided during the coordination meeting, the new and final schedule of activity is on **August 28 to 30, 2024** and the venue will be within **Quezon City**.

DOST-PHIVOLCS will provide the training venue and meals for the duration of the training, accommodation (check-in on August 27 and check-out on August 30), training materials, as well as the resource speakers. No registration fee will be collected from the participants. The transportation cost going to and from the venue may be covered by DepEd as deemed fit and within allowable limits.

In this regard, please provide us with the list of participants (one from each Schools Division Office and one from the Regional Office) for confirmation of their attendance and completion of pre-training forms. We encourage an equal number of female and male participants in our trainings. Each participant is expected to attend the whole duration of the activity (3 days).

For questions or concerns, you may contact Ms. Fatima M. Moncada (09273706452; fatima.moncada@phivolcs.dost.gov.ph).

We look forward to the success of our partnership. Thank you.

Very truly yours,

TERESITO C. BACOLCOL
Director
