SUBJECT : GUIDANCE ON POSTING LEARNERS' IMAGES OR DATA
POSTINGS ON SOCIAL MEDIA

DATE : May 15, 2024

This is to reiterate the need to protect the right to privacy of our learners in this digital age. For emphasis, the Department of Education (DepEd) strictly adheres to the United Nations Convention on the Rights of the Child (UNCRC) in safeguarding our learners against abuse, neglect, and exploitation. DepEd issued DepEd Order No. 40, s. 2012 or the "Child Protection Policy," reiterating DepEd's zero-tolerance policy for any act of abuse, exploitation, violence, discrimination, bullying, and other forms of violence directed towards our learners.

Pursuant to Republic Act No. 10173, otherwise known as the "Data Privacy Act of 2012", learners including teaching and non-teaching personnel are considered as data subjects whose personal information are protected by law, Section 13 and 16:

Sec. 3. (b) Consent of the data subject refers to any freely given, specific, informed indication of will, whereby the data subject agrees to the collection and processing of personal information about and/or relating to him or her. Consent shall be evidenced by written, electronic, or recorded means.

Sec. 3. (g) Personal Information refers to any information whether recorded in a material form or not, from which the identity of an individual is apparent or can be reasonably and directly ascertained by the entity holding the information, or when put together with other information would directly and certainly identify an individual.

Sec. 16. Rights of the Data Subject - The data subject is entitled to:

(a) Be informed whether personal information pertaining to

him or her shall be, are being, or have been processed.

(b) Be furnished the information indicated hereunder before the entry of his or her personal information into the processing system of personal information into the processing system of the personal information controller, or at the next practical opportunity:

- (1) Description of the personal information to be entered into the system;
- (2) Purposes for which they are being or are to be processed;
- (3) Scope and method of the personal information processing;
- (4) The recipients or classes of recipients to whom they are or may be disclosed;
- (5) Methods utilized for automated access, if the same is allowed by the data subject, and the extent to which such access is authorized;
- (6) The identity and contact details of the personal information controller or its representative;
- (7) The period for which the information will be stored; and
- (8) The existence of their rights, i.e., to access, correction, as well as the right to lodge a complaint before the Commission.

In consideration of the learners minority, parental or guardian's consent is necessary prior to the use of the learner's data for media posting¹. Additionally, D.O. 32, s. 2022² recognizes our learners as subjects with rights and obligations. As duty-bearers, it is our responsibility to empower them to know and advocate their rights and be involved in policies or activities affecting them. As such, their affirmative consent is needed prior to posting of their personal information or image.

This Office reminds all school personnel to uphold their responsibilities as duty-bearers in ensuring that the rights of learners are recognized and protected. Consequently, all school personnel are to exercise special parental authority³ and responsibility over the learners under their supervision. DepEd Order No. 40, s. 2012⁴ highlights the specific duties and responsibilities of the school personnel in ensuring that the rights of learners are protected and exemplify respect for the data privacy of individuals, to wit:

B. Keep them in their company and support, educate and instruct them by the right precept and good example;

G. Inculcate the value of respect and obedience.

² DepEd Order No. 31, s. 2022, "Rights-Based Education (RBE) Framework in Philippine Basic Education".

³ Family Code of the Philippines, Article 218.

⁴ DepEd Order No. 40, s. 2012, "Child Protection Policy", Section 8,b and g.

Under the Cybercrime Prevention Act⁵, consent is necessary when sharing or posting images of other people on social media to avoid possible legal consequences especially if the person affected believes that his privacy or reputation has been violated or compromised.

Accordingly, enclosed is a copy of the DepEd's *Consent, Waiver, Indemnity, and Release form* which is required to be filled out by learners' parents or guardians involved in any media posting by the said agency whether written, audio-recorded, or photographed. Moreover, following the Rights-Based Education (RBE), learners should also be consulted in matters affecting them. This Office would like to compel school personnel from all schools division offices to refer and use this form prior to posting any information or image of learners in social media.

For your guidance and strict observance.

Thank you very much.
