Dear RD Escobarte,

We hope that this letter finds you well.

To support the Year 2 Pilot implementation of Khan Academy Philippines in your schools, we shall conduct the **Khan Academy Orientation of Parents** on September 7, 2024 from 1:00 pm to 3:00 pm via FB Live on this link: <https://www.facebook.com/khanacademyphilippines>.

The orientation shall discuss how the parents can create their own account for free and link it to their child's Khan Academy account so they can support their child's learning journey at home. We shall also tackle how they can practice and promote growth mindset at home. Also, we shall present other contents on the platform which they can use as a parent for their own personal development.

We hope all **Grades 1, 4, 5, and 7 parents in your Khan Academy implementing schools** will be informed of these details so that we can smoothly implement Khan Academy in your schools with your learners having the support they need in school and at home.

Thank you very much for the fruitful partnership we have where we all work towards achieving better numeracy and literacy among our learners using world class edtech in our classrooms.

Should you have any questions or need further clarification, please feel free to reach out to us. May the Good Lord bless you always.

Best regards,

BERNADETH C. DARAN
