**UNIVERSAL PREVENTION CURRICULUM (UPC) FOR
SUBSTANCE ABUSE CALABARZON RE-ECHO
TRAINING OF MODULE 5: SCHOOL-BASED
PREVENTION INTERVENTIONS**

To **Schools Division Superintendents**

1. The Department of Education Regional Officer IV-A CALABARZON through the Education Support Services Division-School Health Section will conduct this Training on November 18-22, 2024 at a venue to be announced on a separate advisory.
2. The training goals are to provide an overview of the opportunities that schools provide for drug prevention; develop participants' understanding of matching students' developmental stages to prevention programs and strategies; assist participants in getting started in schools; provide an overview of the principles of effective and ineffective prevention practice in school settings-of what works and what does not work; teach participants how to negotiate registries of evidence-based practice and select the prevention course that is right for their school; provide an overview of issues pertaining to implementation fidelity and adaptation; and develop participants' understanding of effective drug prevention policies and whole school prevention programs.
3. Participants are the Schools Division Medical Officers, National Drug Education Program Focal Person, EPS for Values or Registered Guidance Counselor/Guidance Counselor or School Head. They should have completed Curriculum 1 (Introduction to Prevention Science) or commit to undertake the Curriculum within a year through the UPC Manager's and Supervisor's Course (Online Instructor Led) UPC 1. To join, apply as a member of the International Society of Substance Use Professionals (ISSUP): www.issup.net.
4. The list of participants and program are attached. Participants are to register before October 24, 2024 (Thursday) via <https://bit.ly/R4A-UPC5registration>. Participants are encouraged to wear corporate attire with agency ID and to bring a laptop to be used during the event.
