SUBJECT : **ENDORSEMENT OF DOST-SEI SCHOLAR-GRADUATES TO THE CONCERNED SCHOOLS DIVISION OFFICES RE UNFILLED/VACANT SPECIAL SCIENCE TEACHER I (SST 1) POSITIONS**

DATE : 20 January 2025

The Office of the Undersecretary for Human Resource and Organizational Development (OUHROD), through the Bureau of Human Resource and Organizational Development - School Effectiveness Division (BHROD-SED), endorses the **two hundred sixty-eight (268)** Department of Science and Technology – Science Education Institute (DOST-SEI) Scholar-Graduates as partial replacements to the seven hundred eleven (711) Special Science Teacher I (SST-I) vacant items created for Fiscal Years (FY) 2016-2023 as reported by the Human Resource Management Officers (HRMOs) as of January 15, 2025. Kindly note that some unfilled SST I items cannot be given replacements at this time by DOST-SEI due to lack of available scholar graduates in some areas requested by SDOs.

The endorsement is intended as replacement to the abovementioned unfilled positions due to the prior scholars' fulfillment of service obligations, resignation from service, waiving of appointments, or failure to report to the concerned Schools Division Offices (SDOs) within the prescribed period.

In view of this, all concerned SDOs are advised to immediately coordinate with the said scholars and fill up the unfilled/vacant SST I items based on the attached **Annex A (List of available DOST-SEI Scholar-graduates under RA 10612)**. Given the significant number of unfilled SST-I positions, the prompt hiring and deployment of the endorsed scholars are expected. Additionally, please be informed that a

separate endorsement of RA 10612 scholars will be issued for deployment in SY 2025-2026.
