Hiring and Deployment Guidelines for SPIMS and DOST Scholars

I. Selection and Appointment

1. SPIMS and DOST Scholar beneficiaries formally endorsed to DepEd for SY 2025-2026 shall be assessed in accordance with the procedural guidelines and criteria and point system stipulated under the following applicable DepEd Orders:

Beneficiaries	Allocated Position	Governing DepEd Order
SPIMS	Teacher I	DO No. 007, s. 2023 <i>(Guidelines on the Recruitment, Selection, and Appointment in the Department of Education)</i> and DO No. 021, s. 2024 <i>(Amendments to DepEd Order No. 007, s. 2023)</i>
DOST RA 7687	Teacher I	
DOST RA 10612	Special Science Teacher I	DO No. 020, s. 2024 <i>(the Guidelines on the Recruitment, Selection, and Appointment to Higher Teaching Positions)</i>

2. BHROD shall further endorse the list of beneficiaries to the SDOs. Upon receipt of the endorsed qualified SPIMS and DOST Scholar beneficiaries, the concerned SDO shall contact and notify all beneficiaries to request the documentary requirements needed for the evaluation enumerated under **Sec. 20 Part V(B) of DO 007, s. 2023**, and all others applicable as stated in **DO 021, s. 2024 for the Teacher I positions, and Sec. 19 of DO 020, s. 2024 for the SST I positions**.
3. A special screening committee shall be designated to conduct the assessment of SPIMS and DOST Scholar applicants using the criteria and point system stipulated under the governing DepEd Orders.
4. After such assessments, SDOs shall prepare a separate set of Comparative Assessment Results – Registry of Qualified Applicants (CAR-RQA) for SPIMS Teacher I applicants and DOST RA 7687 Teacher I applicants, and CAR for DOST RA 10612 SST I applicants. All endorsed applicants who have undergone the assessment shall be included in the CAR-RQA/CAR **regardless of their total score**.

Furthermore, as part of the commitment of DepEd to ensure employment and reintegration of OFW returnees and to provide return of service opportunities to DOST Scholars, **no cut-off score shall be applied both for SPIMS and DOST Scholar beneficiaries**. The assessment shall be conducted for purposes of identifying professional development needs.

5. In support with **Section 58 (c) of DO 007, s. 2023, Section 13 (c) of DO 021, s. 2024, Section 57 (c) of DO 020, s. 2024**, applicants included in the

SPIMS CAR-RQA and DOST CAR-RQA/CAR shall be given priority for appointment to the vacant and/or newly-created Teacher I and SST I positions in their preferred locality/schools, such that they shall be considered first before all other regular applicants may be appointed.

6. Applicants in the SPIMS CAR-RQA and DOST RA 7687 CAR-RQA shall be given permanent Teacher I positions and applicants in the DOST RA 10612 CAR shall be given SST I positions under provisional¹ status regardless of their total scores from the assessment conducted.

However, appointees who obtained a total score below the 50-point cut-off score shall be given appropriate Professional Development Interventions, Technical Assistance, and Coaching and Mentoring, addressing the competency gaps identified in the assessment.

7. To improve the absorptive capacity and efficiency in hiring DepEd teachers, all SDOs are instructed to ensure that SPIMS and DOST Scholar beneficiaries are **appointed not later than August 2025**.

As such, **beneficiaries are given until 29 August 2025 to report to their respective SDOs for the processing of their hiring and appointment.**

Specific to SPIMS beneficiaries, if SDOs are unable to reach them through the provided contact information and/or the beneficiaries are unable to communicate with their respective SDOs within the set period, their appointment shall be considered waived. In the event of waived appointments due to *'no show', disinterest, with existing job, extended contracts, or other reasons*, which may result in non-utilization of allocated items by the end of the school year, the SDOs shall **immediately** fill up the vacant items with eligible applicants from the Regular CAR-RQA.

Pursuant to the conditions set under the SPIMS Program, priority given to beneficiaries shall likewise be waived should they waive or refuse to accept the appointment. They shall be prohibited to re-apply through the Program and must undergo regular hiring the next time they signify their intention to teach in DepEd.

On the other hand, DOST Scholar beneficiaries may waive their return of service to the DepEd and decide to pursue this at a later time. In such cases, teaching positions dedicated to them shall be open for filling up observing the following:

a. DOST RA 7687 Teacher I positions

- may be filled using the Regular CAR-RQA

b. DOST RA 10612 SST I positions

- may be assumed by incumbent DOST RA 7687 Teacher I who are eligible for promotion, provided they undergo the regular application process; or

¹ must pass the LET within 5 years after the date of first hiring

- may be filled through a request for replacement of scholar beneficiary from the DOST-SEI

II. Deployment Process

The DepEd SDO is responsible for the school selection of SPIMS beneficiaries, primarily based on the prevailing teacher shortage in the Elementary (ES) and Junior High School (JHS) and supported by other considerations such as specialization requirements (for JHS) and other pertinent criteria in the needs analysis for localities and municipalities where these beneficiaries reside.

For DOST Scholar beneficiaries, two processes are followed. First, for DOST RA 7687 Scholar beneficiaries, the BHROD provides preliminary recommendations for their school assignments; however, these are indicative proposals only, and the final decision rests with the SDO, based on the prevailing specialization needs and mismatches within their jurisdiction. In cases where the SDO needs to adjust school assignments, prioritization must still be given to the placement of DOST RA 7687 Scholar beneficiaries. Second, for DOST RA 10612 Scholar beneficiaries, the process follows the guidelines established for SPIMS beneficiaries.

- A **List of Beneficiaries** is attached as **Annex B** to this Memorandum. It is further itemized as follows:
 - a. Teacher I items are allocated for the SPIMS beneficiaries for ES and JHS with the following information: (a) Name and contact details of endorsed beneficiaries, (b) Region, and (c) Division;
 - b. Teacher I items are allocated for DOST RA 7687 Scholar beneficiaries for JHS with the following information: (a) Name and contact details of endorsed beneficiaries, (b) Region, and (c) Division, and (d) Indicative school assignment;
 - c. Special Science Teacher I items are allocated for DOST RA 10612 Scholar beneficiaries with the following information: (a) Name and contact details of endorsed scholar-beneficiaries, (b) Region, and (c) Division.
- As stated, a **recommendatory and indicative school selection** is specifically listed for DOST RA 7687 Scholar beneficiaries based on the latest Teacher Requirement Analysis (TRA) of the BHROD-SED.

In general, deviations in school assignments are allowed. However, decisions in changing the school assignments should consider the following:

- a. The latest Teacher Requirements Analysis (TRA) from the Schools Division Office (SDO);
- b. Unfilled Teacher I positions (created in FY 2024 or earlier);
- c. The alignment of specialization needs with the beneficiary's place of residence.

III. Information to the Beneficiaries

The BHROD-SED shall inform the DMW and DOST on the official endorsement of the beneficiaries to the SDO. Likewise, both DOST and DMW beneficiaries shall receive a notice containing general hiring, assessment and deployment arrangements. They are instructed to immediately communicate with the respective SDO HRMOs to facilitate the hiring process.

IV. Capacity Building and Training

All new Teacher I and SST I Appointees from the SPIMS and DOST programs shall be provided with appropriate upskilling and reskilling opportunities as part of their continuous professional development and growth.
