AND CAR
ALL OTHERS CONCERNED**

FROM : **ANA MARIE C. CALAPIT**
Director IV

SUBJECT : **CONDUCT OF REGIONAL SITE VALIDATIONS FOR THE
PUBLIC-PRIVATE PARTNERSHIP FOR SCHOOLS
INFRASTRUCTURE PROJECT PHASE 3 (PSIP 3)**

DATE : 10 APRIL 2025

Anchored on one of the strategic levers for reform of the Philippine education system on Public-Private Partnerships and on the objective of fostering conducive and safe learning environment for the well-being of learners, the Department of Education through the Public-Private Partnerships unit is leading the initiative on the new wave of PPPs for classrooms through the PSIP 3. The PSIP 3 aims to cover the design, finances, and construction of more than 15,000 classrooms in over 1,000 schools across 8 regions, benefiting an estimated total of over 600,000 learners to help address the perennial problem of classroom shortage.

In line with this legacy initiative, comprehensive appraisal of the possible sites for construction must be conducted through due diligence. This will aid in ensuring alignment of classroom shortage needs per region with the prioritization of sites. Site validation as part of the process will also preliminarily inform the PPP unit and other development partners of the local, specific context for every region and how to better address it through the PSIP 3 implementation.

Hence, this memorandum serves to issue the Microsoft Excel links of the comprehensive site validation questionnaire for your compliance and response.

For your reference, enclosed in this memorandum is Annex A detailing the specific links that each regional office must answer.

Should you require questions and clarifications, you or your office may reach out to the Office of the Undersecretary for Strategic Management (OUSM) landline at 8638-1780 or e-mail at ana.calapit@deped.gov.ph, copy-furnished ousm@deped.gov.ph.

For immediate dissemination and compliance.

Thank you.
