meals to the identified/intended beneficiaries of SY 2024-2025 during SY 2025-2026.

ii. Distribution of Food Commodities during Summer Break

Funds and procured commodities allotted for the conduct of SBFP during SY 2024-2025 NLC may also be distributed to the households of intended beneficiaries during the summer break of 2025. Close coordination and assistance from the barangay and other local government units (LGUs) and partners may be made to strategize the distribution and delivery of food items.

The SDOs/Schools are permitted to employ temporary laborers, helpers, or assistants for the delivery of food packs at reasonable costs, which will be charged against the school's operational expenses or the SDO-PSF.

- c. SDOs shall ensure that FY 2024 funds allotted for hot meals and/or nutritious food products (NFP) and milk shall be used only for the procurement of food commodities for intended beneficiaries of SY 2024-2025.

2. Extension of SBFP Milk Feeding during the NLC

As additional catch up with the delayed implementation for SY 2024-2025 experienced by some SDOs, they may extend the delivery of milk from **May to June 2025** with the following conditions:

- a. the supplied milk recommended is **sterilized** for quality assurance.;
- b. **one-time delivery** of the Milk Supplier to the drop-off points; and
- c. **one-time distribution** to the SY 2024-2025 Milk beneficiaries.

The SDOs/Schools are permitted to employ temporary laborers, helpers, or assistants for the delivery of food packs at reasonable costs, which will be charged against the school's operational expenses or the SDO-PSF.

In case the NDA and PCC-assisted suppliers fail to provide the milk requirements, the SDO may procure other milk products using Competitive Bidding or other forms of Negotiated Procurement as per RA No. 9184 or RA No. 12009.

All SDOs are encouraged to fully consume FY 2024 Funds until June 2025 and utilize FY 2025 funds for School Year 2025-2026.

3. Transmittal of FY 2025 Milk Supply Map

The attached FY 2025 Milk Supply Map (Annex A), which was an output of the "School-Based Feeding Program NFP and Milk Suppliers' Expo and Mapping FY 2025," shall be used by all SDOs as the Procuring Entity (PE) for the SBFP Milk Component. SDOs with recommendations for CM shall be allowed to

procure commercial powdered/sterilized milk, subject to the following pre-requisites:

- a. Written request from the Schools Division Office (SDO) to the Regional Office (RO) seeking approval of the procurement of commercial milk (CM) with justification; and
- b. The RO, through the SBFP Focal Person, shall validate if these areas are indeed far-flung/inaccessible and provide a recommendation to proceed with the procurement of CM.

Once approved by the Regional Office, the SDO may proceed with the procurement process of CM.

4. Transmittal of NDA and PCC FY 2025 Raw Milk Supply Map and Plant Processing Capacities

In light of the anticipated delays in the submission of FY 2025 Milk Supply Commitment from the National Dairy Authority and Philippine Carabao Center, attached Letter from NDA and PCC (Annex B) shall be used as reference by all SDOs for the procurement of milk. SDOs are encouraged to write to and coordinate with the NDA Field Offices and PCC Regional Offices to seek possible suppliers, identify the implementation period for SY 2025-2026, and proceed with the procurement of milk through Negotiated Procurement-Community Participation.

Three (3) batches of milk implementation have been identified as follows:

Batch 1: July 14 to August 22, 2025

Batch 2: August 25 to October 3, 2025

Batch 3: October 6 to Nov. 14, 2025

All SDOs are expected to observe the set implementation period for the regular and milk components. If the NDA/PCC fails to respond within **one (1) month** to the request for Certification of Community Social Groups (CSGs) from the date they received the letter, the SDOs may explore alternative means to provide milk to the beneficiaries to comply within the implementation period.

For questions and clarifications, please contact Dr. Maria Corazon C. Dumlao, Chief Health Program Officer, or Ms. Magdalene Portia T. Cariaga, Senior Education Program Specialist, of the Bureau of Learner Support Services-School Health Division (BLSS-SHD) through email at sbfp@deped.gov.ph or telephone number (02) 8632-9935.

For your usual cooperation.

HON. MALCOLM S. GARMA

Assistant Secretary, Officer-in-Charge
Office of the Undersecretary for Operations
Department of Education
Meralco Avenue, Pasig City

Dear **OIC Undersecretary Garma:**

Greetings from the National Dairy Authority (NDA)!

Relative to your letter dated 21 March 2025 on your request for the Final Milk Supply Commitment from both the National Dairy Authority (NDA) and the Philippine Carabao Center (PCC), we would like to inform your kind office that the processing of the milk supply commitments of our assisted farmers and cooperatives is currently ongoing.

Currently, the NDA and PCC have finalized the raw milk supply map of all dairy farmers and the processing capacities of all dairy processing plants assisted by both agencies throughout the country. Our next step is to conduct a public consultation with all our dairy cooperatives and stakeholders.

Please understand that we cannot unilaterally commit supply in behalf of our assisted farmers and stakeholders, nor PCC can do the same. Farmers and cooperatives involved in these commitments must be consulted first, thus we will be having a public consultation for these commitments, with the raw milk supply map as basis for such commitments.

Thus, we respectfully ask for an extension for the said submission. For the meantime, attached hereto are our initial outputs on raw milk supply map and plant processing capacities. These can guide your office in the post qualification stage of your procurements.

We hope for your kind consideration on the matter. Thank you very much.

Very truly yours,

ATTY. MARCUS ANTONIUS T. ANDAYA
Administrator
