Dear Atty. Escobarte:

We are pleased to inform you that the Science Teacher Academy for the Regions (STAR) of the Department of Science and Technology-Science Education Institute (DOST-SEI) will conduct the live-out Nuclear Science CAMP (Capacitating and Mentoring Program) on August 1 and 2, 2025 within Tagaytay City. This is an offshoot of the National CAMP conducted on August 5-8, 2024 at San Mateo, Rizal.

The CAMP aims to introduce basic concepts of nuclear science, showcase its application in health, industry and agriculture, and revisit curriculum to find ways to improve delivery of Nuclear Science to the learners. This includes lectures and workshops for in-service teachers in Region IV-A.

With this, may we request for the participation of **Mr. Paul Gence Ocampo**, Regional Education Program Supervisor for Science, to serve as resource person and lead the identification and invitation of **70 science teachers for junior high school and senior high school** in the region. Activity kits and meals throughout the duration of the activity shall be shouldered by SEI subject to the usual government accounting and auditing rules and regulations. Please see attached program of activities for reference.

Our SEI personnel, Gaylord Brent Rabang, will communicate with your office regarding these requests. Should there be concerns, he may be contacted at mobile number +639985960816 or email address [projectstar@sei.dost.gov.ph](mailto:projectstar@sei.dost.gov.ph).

We look forward to your usual support to the programs and projects of SEI.

Thank you very much.

Very truly yours,
