Sir:

Greetings of peace and solidarity!

The National Coordinating Body of UNESCO Clubs in the Philippines, Inc. (NCBUCP, Inc.) is now accepting applications for the accreditation of new Clubs for UNESCO for the year 2025. The accreditation process will run until July 30, 2025.

Clubs for UNESCO are part of a global grassroots movement that supports UNESCO's priorities by harnessing the diverse experiences, skills, and insights of communities to promote peace, cultural exchange, and sustainable development. These clubs, composed of individuals from all walks of life and age groups, are united in their commitment to the values and ideals of UNESCO. Their core mission is to promote understanding and advocacy of UNESCO's goals, raise awareness of its programs, and implement activities that reflect its principles. Operating independently and on a non-profit basis, Clubs for UNESCO serve as essential partners to UNESCO and its National Commissions, especially through impactful public outreach.

In line with this, we respectfully request your office to encourage all Division Offices under your jurisdiction to issue a Division Memorandum or Advisory inviting schools—from elementary to senior high school, including ALS learning centers—to participate in this year's accreditation process. Schools are highly encouraged to register their existing or new school-based organizations for official accreditation as a Club for UNESCO.

To apply, interested organizations may visit our website at <https://www.unescoclubsph.org/join-us> to review the application guidelines and requirements. Once ready, all documents and necessary information must be submitted via the Google Form link available on the same webpage.

We look forward to your support in encouraging wider participation in this initiative. Together, let us strengthen the culture of peace, global citizenship, and youth engagement by empowering schools and communities to align with UNESCO's vision and values.

Thank you for your continued partnership and leadership.

Yours in Service,
