SUBJECT : **RELEASE OF SGC ADVOCACY MATERIAL: TO-DO CALENDAR**

DATE : 30 June 2025

The School Governance Council (SGC) serves as a key mechanism in promoting shared governance under the framework of School-Based Management (SBM). It brings together key stakeholders to collaboratively plan, implement, and monitor school initiatives. Through consultative decision-making, the SGC strengthens the role of school stakeholders as partners in providing learners with accessible and quality education.

To strengthen the implementation of School Governing Councils (SGCs), the Bureau of Human Resource and Organizational Development – School Effectiveness Division (BHROD-SED) has developed the **SGC To-Do Calendar**. This tool is thoughtfully crafted to serve as a practical guide for building and sustaining a functional SGC. It helps councils stay organized, aligned with the school's goals, and focused on continuous school improvement.

The SGC To-Do Calendar is a personalized tool that SGCs may customize by setting up activities based on their preferred dates and specific tasks. While they have the flexibility to adjust, it is advisable to align the activities set for each quarter and prepare the necessary Means of Verification (MOV) to accurately document progress.

To access the SGC To-Do Calendar, it can be downloaded from the following links:
