Dear **Dir. Escobarte**:

The **CALABARZON Jobs and Labor Market Forecast (JLMF) 2026–2027** is a flagship publication of the Department of Labor and Employment (DOLE), providing a comprehensive outlook on the regional labor market for the next two years. This initiative is part of the Department's continuing commitment to deliver timely, relevant, and evidence-based Labor Market Information (LMI) to guide stakeholders in policy and program development.

To ensure the accuracy and relevance of the report, we are conducting a consultation and validation activity with key industry partners and stakeholders across CALABARZON. Your insights and perspectives will be invaluable to this process, and we would be honored by your participation.

In recognition of the vital role of the Department of Education (DepEd) in preparing learners with the competencies and skills needed by the evolving labor market, we are inviting your office to be represented in this important activity. In particular, we are requesting the attendance of the following members of the **Regional Career Advocacy Congress**, to take part in the discussions and help align education and training programs with the labor market needs of CALABARZON.

Details of the validation activity are as follows:

Date: November 14, 2025

Time: 8:00 a.m. – 5:00 p.m.

Venue: Biñan People's Center, Biñan City, Laguna
