Dear **Director Escobarte**:

Greetings! Our office through the National Immunization Program will be conducting a **School-Based Immunization (SBI) Program Implementation Review and Alignment Workshop** on **February 3-5, 2026** at **Ramada Manila Central Hotel, Binondo Manila**.

Based on our 2025 regional performance, SBI accomplishments reached **44.06% MR** and **43.94% TD** among **Grade 1 learners**, against a target of **95%**; **29.64% HPV Dose 1** among **Grade 4 learners**, against a target of **90%**; and **28.95% MR** and **28.58% TD** among **Grade 7 learners**, also against a target of **95%**. While these figures reflect the collective efforts of all stakeholders, they likewise highlight significant opportunities to further strengthen strategies, enhance coordination, and improve alignment among partner agencies. You may access the SBI Accomplishment per SDO through this link <https://tinyurl.com/FinalSBIperSDO>.

In this context, the workshop aims to conduct a comprehensive review of our recent SBI activities, identify key challenges and gaps, and develop a coordinated action plan to improve immunization coverage in the region. Through this collaborative engagement, we aim to strengthen the planning and implementation of the upcoming SBI activities.

In this regard, we would like to invite **Dr. Pearl Oliveth S. Intia, Medical Officer IV** and one (1) **School-Based Immunization Program Focal Person** from each of the **25 Schools Division Office (SDO)** to participate in the aforementioned activity.
