I. BACKGROUND

The Department of Education (DepEd) continues to strengthen initiatives that promote the welfare and quality of life of its personnel, particularly in ensuring access to safe, decent, and affordable housing. Many teachers and non-teaching personnel face challenges in securing housing due to rising property costs, limited financing access, and lack of information on available housing programs.

In support of the government's broader housing agenda, DepEd collaborates with the Department of Human Settlements and Urban Development (DHSUD) through the Pag-IBIG Housing Fair events. These housing fairs serve as a one-stop venue where government employees, including DepEd personnel, may explore available housing opportunities, consult directly with developers, and receive guidance on Pag-IBIG housing loan programs.

The upcoming Housing Fair serves as a platform where DepEd personnel can:

- Explore affordable housing units
- Avail of exclusive offers for government employees
- Receive on-site counseling on Pag-IBIG housing loans
- Compare housing projects across different locations
- Learn about financing terms, requirements, and processes
- Initiate housing loan applications

DepEd's participation in this activity aims to encourage wider awareness and provide convenient access for personnel who wish to secure their own homes.
