**Hiring and Deployment Guidelines
for SPIMS Beneficiaries and DOST Scholars**

I. Selection and Appointment

- A. The BHROD shall endorse the official list of SPIMS and DOST beneficiaries to the concerned SDOs. Once received, the SDO shall notify all beneficiaries to submit the documentary requirements necessary for evaluation, in accordance with Section 20 Part V(B) of DO 007, s. 2023, DO 021, s. 2024 for Teacher I positions, and Section 19 of DO 020, s. 2024 for Teacher III (Special Science Teacher I) positions.
- B. SPIMS and DOST beneficiaries whose names were officially submitted to DepEd for SY 2026–2027 shall be assessed by a Special Screening Committee, based on the procedures, criteria, and point system stated in the applicable policies below:

Program	Allocated Position	Governing Policy
SPIMS	Teacher I for ES and JHS	For hiring process: DO No. 007, s. 2023 (Guidelines on the Recruitment, Selection, and Appointment in the Department of Education) and DO No. 021, s. 2024 (Amendments to DepEd Order No. 007, s. 2023)
DOST RA 7687	Teacher I for JHS	For qualification standards: DO No. 19, s. 2025 Amended Qualification Standards for Teacher I Positions
DOST RA 10612	Teacher III (Special Science Teacher I) for SHS <i>Note: A Teacher I item shall not, in any circumstance, be assumed by a DOST RA 10612 scholar applicant, based on the existing implementing guidelines governing this arrangement</i>	For hiring process: DO No. 020, s. 2024 (the Guidelines on the Recruitment, Selection, and Appointment to Higher Teaching Positions) For qualification standards: CSC Resolution No. 1200246 dated March 6, 2018 (Amended QS for SST I position, SHS, DepEd)

C. After the conduct of assessments, the SDOs shall prepare separate Comparative Assessment Results – Registry of Qualified Applicants (CAR-RQAs) and CAR, as applicable, for the following:

- SPIMS and DOST RA 7687 Teacher I applicants, and
- DOST RA 10612 Teacher III (SST I) applicants.

All endorsed applicants who underwent the assessment shall be included in the CAR-RQA/CAR regardless of their total score.

Consistent with the Department’s commitment to support the reintegration of OFW returnees and the return of service opportunities of DOST scholars, **no cut-off score shall be applied for both SPIMS and DOST beneficiaries.** The assessment shall primarily serve to identify professional development needs.

D. In accordance with Section 58(c) of DO No. 007, s. 2023; Section 13(c) of DO No. 021, s. 2024; and Section 57(c) of DO No. 020, s. 2024, applicants included in the SPIMS CAR-RQA and DOST CAR-RQA/CAR **shall be given priority for appointment** to vacant and newly created Teacher I positions for SPIMS and DOST RA 7687 beneficiary applicants, and newly created Teacher III (SST I) positions for DOST RA 10612 beneficiary applicants, within their preferred locality or schools, provided that such appointments are aligned with the teacher needs of the school within the SDO.

1. Applicants included in the CAR-RQA for both SPIMS and DOST RA 7687 shall be appointed to permanent Teacher I positions, while for those under DOST RA 10612 shall be appointed to Teacher III (SST I) positions with provisional status, regardless of their assessment scores.

The SDO – Human Resource Development (HRD) Unit shall ensure that applicants who obtain a score below the 50-point cut-off shall be provided with professional development interventions, technical assistance, coaching, and mentoring based on the competency gaps identified during the assessment.

2. To improve hiring efficiency and absorptive capacity, all SDOs shall ensure that SPIMS and DOST beneficiaries are appointed not later than August 2026. Beneficiaries shall report to their respective SDOs **on or before August 28, 2026**, to facilitate the processing of their hiring and appointment.

For SPIMS beneficiaries, if an SDO is unable to reach them through their provided contact information or if they fail to communicate with the SDO within the set period, their appointment shall be considered waived. **In cases where appointments are waived due to no-show, disinterest, existing employment, extended contracts, or other circumstances that may result in the non-utilization of items, the SDO shall immediately fill the vacant items using eligible applicants from the regular CAR-RQA.**

Under the SPIMS program rules, beneficiaries who waive or refuse their appointment shall lose their priority status and may no longer reapply

under the Program. However, they may apply through the regular hiring process should they intend to join DepEd in the future.

DOST scholars may also defer their return of service to DepEd. In such cases, the teaching positions originally allocated for them shall be filled using the following guidelines:

- a. DOST RA 7687 Teacher I positions may be filled using applicants from the regular CAR-RQA;
- b. DOST RA 10612 Teacher III (SST I) positions may be filled by an incumbent DOST RA 7687 Teacher I who qualifies for promotion, following the regular application process;
- c. In cases where replacements are necessary, **HRMOs shall directly coordinate with the DOST-SEI field offices** and process requests related to the replacement of scholars, ensuring that all requirements and communications are handled promptly and in accordance with the established procedures.

II. Deployment

As a general rule, the SDO has the authority to determine the final deployment arrangement of all beneficiary applicants.

The SDO shall identify final school assignments based on the current teacher shortages in Elementary (ES), Junior High School (JHS), and Senior High School (SHS), including specialization needs (for JHS and SHS), and other relevant considerations in the needs analysis of their localities.

For SY 2026-2027, **no indicative lists of school assignments shall be released by the BHROD.** All endorsed SPIMS, DOST RA 7687, and DOST RA 10612 beneficiary applicants shall be processed and deployed with their final school assignments by their respective SDOs.

Annex 2 contains the List of Beneficiaries, together with the teaching positions, names, contact details, region, and division, organized as follows:

- 2.1 SPIMS beneficiaries (ES and JHS);
- 2.2 DOST RA 7687 scholars (JHS); and
- 2.3 DOST RA 10612 scholars (SHS)

III. Information to the Beneficiaries

BHROD-SED, through official communications, shall inform DMW and DOST once the beneficiaries have been endorsed to the DepEd SDOs. SPIMS and DOST beneficiaries shall likewise receive an official endorsement and confirmation email that will outline the general hiring, assessment, and deployment process. They are expected to immediately contact their respective SDO HRMOs to begin the hiring process.

In the exercise of due diligence, the HRMOs shall also notify the beneficiaries about the pertinent information related to the application process, particularly

when the SDO implements localized strategies to expedite the submission and processing of documentary requirements.

IV. Data Privacy

All concerned DepEd field offices are reminded to handle the personal information contained in Annex 2 with strict confidentiality and in accordance with the Data Privacy Act of 2012 and its implementing rules and regulations.
