2026 ROBOCLASH TOURNAMENT

With reference to the letter of Agnes G. Morales, Provincial Director, Department of Science and Technology Laguna, this office informs the Schools Division Superintendents of the 2026 Roboclash Tournament to be conducted on September 14, 2026 at SM San Pablo, Laguna.

The said activity aims to foster innovation, technological creativity and STEM Education among the youth in CALABARZON Region.

Kindly refer to the attached letter for more details about the activities.

Furthermore, those interested in joining are reminded of the following conditions:

- a) that the Schools Division Office be informed, in writing, of participation in any of the said activities;
- b) participation is strictly on a voluntary basis;
- c) expenses to be incurred shall be on a personal basis or sourced from a legitimate local government unit or donor; and
- d) strict observance of Time-On-Task Policy or the No Disruption of Classes Policy of the Department.

For information of all concerned.

LAGUNA

OneDOST4U: Solutions and Opportunities for All

August 18, 2026

**Dir. CARLITO D. RICAFORT***Regional Director*

Department of Education (DEPED) CALABARZON

Cainta, Rizal

Dear *Director Ricafort*:

Greetings!

The Department of Science and Technology (DOST) CALABARZON through its Provincial Science and Technology Office Laguna, will be hosting the 2026 Roboclash Tournament. The prestigious competition is one of the highlight events of the 2026 Regional Science and Technology Week (RSTW), which aims to foster innovation, technological creativity, and STEM education among the youth in the CALABARZON region.

The 2026 Roboclash tournament to be held at SM San Pablo, Laguna is scheduled on September 14, 2026. We expect to gather approximately 500 student-participants, coaches, and tech enthusiasts from various schools across the CALABARZON region.

In line with this, we respectfully request your good office to endorse and disseminate information regarding the 2026 Roboclash Tournament to all Schools Division Offices (SDOs) public and private elementary, junior high school, and senior high school, within the CALABARZON region. Your support in encouraging schools to participate in this event will greatly contribute to promoting robotics, innovation, and science-based learning among students. You may view the tournament guidelines through the link: bit.ly/roboclash-guidelines for your reference.

The tournament will serve as a platform for students to showcase their skills in robotics, problem-solving, teamwork, and creativity while fostering greater interest in science, technology, engineering, and mathematics (STEM). Through this initiative, we aim to inspire the next generation of innovators and technology leaders in the region.

We sincerely hope for your favorable consideration and support for this initiative. Our staff, Mr. Charles Andrew M. Reyes, will coordinate with your office regarding this request.

Thank you very much, and we look forward to your continued partnership in advancing science and technology education in CALABARZON.

Sincerely yours,

AGNES G. MORALES
Provincial Director
