SUBJECT: REQUEST FOR PERMISSION TO DISSEMINATE INFORMATION AND INVITE SCHOOLS TO PARTICIPATE IN "SANGGALAKBAY: LAKBAY-KAMALAYAN KONTRA BULLYING"

Dear Director Rocafort,

Mabuhay!

Greetings of peace and service from **Panaw Travel and Tours Corp.**

In our continuing commitment to support meaningful, learner-centered, and socially responsive educational activities, we respectfully present for your consideration **SANGGALAKBAY: Lakbay-Kamalayan Kontra Bullying**, an interactive **Bullying Awareness, Prevention, Empathy, and Values Formation Campaign** intended for elementary and secondary school learners.

SANGGALAKBAY is envisioned as an educational journey toward greater awareness and understanding of bullying—its forms, consequences, prevention, and the important roles that learners, teachers, families, and the entire school community play in creating safe, inclusive, respectful, and compassionate learning environments.

Our goal is to address bullying in a **proactive, engaging, age-appropriate, and impactful manner**, while promoting kindness, empathy, respect, inclusiveness, responsible behavior, resilience, and the courage to seek appropriate help when bullying occurs.

We recognize that bullying prevention cannot be achieved through a single lecture or activity alone. It requires awareness, values formation, supportive relationships, responsible intervention, proper reporting mechanisms, and sustained cooperation among learners, teachers, school administrators, parents, and other stakeholders.

We respectfully clarify that **we are not requesting any endorsement, accreditation, recommendation, or preferential treatment from the Department of Education.**

We fully recognize the provisions of **DECS Order No. 28, s. 2001**, which prohibits the commercialization of the Department through endorsements and accreditation of goods and services.

We understand that any dissemination of information regarding SANGGALAKBAY, if allowed, shall be **purely informational in nature**, and that any eventual participation shall remain subject to the **independent evaluation, discretion, approval, policies, schedules, and administrative procedures of the concerned Schools Division Office and individual school.**

4. DepEd Order No. 40, s. 2012 – DepEd Child Protection Policy

The program recognizes the fundamental right of every learner to protection from abuse, violence, exploitation, discrimination, bullying, and other forms of harm.

1. Raise Awareness

Educate learners, teachers, and school personnel on the forms, signs, effects, and consequences of bullying.

2. Foster Empathy and Inclusiveness

Encourage learners to understand the feelings and perspectives of others, appreciate individual differences, and recognize the importance of kindness, respect, diversity, and inclusion.

3. Equip Learners with Tools for Prevention and Response

Provide age-appropriate strategies for recognizing bullying, seeking assistance, reporting concerns through proper school channels, supporting affected peers, and becoming responsible allies rather than passive bystanders.

4. Promote Mental Health and Well-being

Support learners in developing self-esteem, emotional awareness, resilience, healthy coping mechanisms, supportive peer relationships, and responsible help-seeking behavior.

5. Strengthen Values Formation

Reinforce respect, compassion, accountability, fairness, kindness, self-discipline, and responsibility toward others.

6. Promote a Positive School Culture

Encourage learners to recognize that creating and maintaining a safe, respectful, and inclusive school is a shared responsibility.

EDUCATIONAL RELEVANCE

Bullying can affect a learner's **emotional well-being, self-confidence, social relationships, classroom participation, sense of safety, school attendance, motivation, and academic engagement.**

SANGGALAKBAY is therefore designed not merely as an exhibit or presentation but as an **experiential educational intervention** that complements existing school programs on child protection, learner formation, values education, mental health awareness, positive peer relationships, and responsible citizenship.

Through guided film screening, discussions, workshops, reflection activities, learner participation, and creative expression, the program provides multiple avenues through which learners can understand bullying and develop practical, age-appropriate responses.

The program likewise emphasizes that effective bullying prevention involves not only consequences for inappropriate behavior, but also **education, prevention, empathy, accountability, early intervention, appropriate reporting, responsible decision-making, and positive relationship-building.**

COORDINATION:

WHY SANGGALAKBAY MATTERS

Every learner deserves to enter school knowing that he or she belongs in an environment where **dignity is respected, differences are accepted, concerns are heard, and appropriate help is available.**

Bullying can extend beyond a single unpleasant encounter. It may affect a learner's confidence, emotional well-being, social relationships, participation, sense of security, and engagement in education.

Preventing bullying therefore requires more than simply telling children that bullying is wrong. Learners must understand **why kindness matters, how their actions affect others, how to respond responsibly when they witness harmful behavior, where to seek help, and how each person can contribute to a safer and more inclusive school community.**

SANGGALAKBAY seeks to transform anti-bullying education from a message learners merely hear into a **learning experience they can understand, reflect upon, remember, and apply in their everyday relationships.**

It is our hope that SANGGALAKBAY can complement the continuing efforts of the **Department of Education Regional Offices, Schools Division Offices, School Heads, Child Protection Committees, Guidance Personnel, teachers, parents, and learner organizations** in creating learning environments where every child can pursue education without fear, intimidation, humiliation, discrimination, or exclusion.

In view of the foregoing, we most respectfully seek the permission and guidance of your good Office to allow Panaw Travel and Tours Corp. to disseminate information regarding SANGGALAKBAY: Lakbay-Kamalayan Kontra Bullying to the Schools Division Offices within your Region, for their independent review, assessment, and appropriate action.

Should your Office deem it more appropriate, we likewise respectfully request guidance on the **proper Regional Office procedure, channel of communication, or coordination mechanism** through which our program information may be forwarded or presented to the respective Schools Division Offices.

We reiterate that **we are not seeking any endorsement, accreditation, recommendation, exclusivity, or preferential treatment from the Department of Education Regional Office.**

Any eventual participation of a Schools Division Office or individual school shall remain:

- Voluntary;
- Independently evaluated;
- Subject to appropriate approval;
- Subject to applicable DepEd policies and regulations;
- Subject to the concerned school's academic schedule and priorities; and
- Subject to all applicable administrative, procurement, accounting, auditing, safety, and child-protection requirements.

Si Gelo Espanta ay isang Grade 5 student na pumapasok sa Arsenio Delos Santos Elementary School. Masipag mag-aral, ngunit hindi siya mahilig makihalubilo sa kanyang mga kaklase. Pagkatapos ng eskwela, dumidiretso na ito sa bahay. At ito ang ikinatutuwa ng kanyang mananahing ina si Marianne Espanta. Sa pagbubukas ng pasukan, isang bagong lipat na mag-ina ang makikilala nina Gelo at Marianne. Ito ay sina Trisha Berardo at ang kanyang deaf & mute child na si Charm Bernardo. Sila ay titira sa mismong tapat ng bahay ng mga Espanta at sa parehong eskwelahan din ipinasok si Charm, ngunit sa Special Education Department naman siya. Maganda ang pagpapalaki ni Trisha sa kanyang anak na si Charm sa kabila ng di pagkakaroon ng isang haligi ng tahanan sa kanilang pamilya. Kaya naman itong si Charm, buong buo rin ang prinsipyo bilang isang bata. Sa unang pagkakataon na makilala niya si Gelo, nais na niya agad na maging kaibigan ito. Dahil ang pagkakaroon ng mga kaibigan ay isang mahalagang bahay para sa mga Children with Special Needs tulad ni Charm. Ngunit ang kagustuhan ni Charm na maging kaibigan si Gelo ay laging nauuwi sa sampung dipang distansya, at iba ang

kanyang natuklasan. Nakikita niya si Gelo na laging problemado sa balkonahe ng kanyang kwarto sa ikalawang palapag ng bahay nila. Madidiskubre ni Charm na binu-bully pala si Gelo ng kanyang kaklase ni Migs, at ito ang pinakamalaking problema ikinukubli ni Gelo sa sarili niya. Takot siyang magsumbong sa kanyang inang si Marianne dahil ayaw niyang isiping magiging isang dalahin pa kay Marianne kung magkakaproblema pa sa eskwelahan. Tutok kasi si Marianne sa kanilang patahian sa bahay, at kampante siyang walang problemang ibibigay si Gelo sa kanya pagdating sa pag-aaral. Tanging si Charm lamang ang saksi at may alam ng lahat ng pinagdadaanan ni Gelo. Ngunit hindi sapat ang kanyang kakayahan para matulungan si Gelo, at si Gelo mismo ay ayaw ding magpatulong. Kaya naman ang matitinding pagsubok sa pagkatao ni Gelo at sa kanyang relasyon sa pamilya ay magsisimula na, maging ang kagustuhan ni Charm, na matulungan si Gelo ay lalong iiging.
